

SUGGESTIONS

Do you have a suggestion to help improve
your
Cape Fear Sail & Power Squadron?

There are 3 ways to submit your suggestions:

1. Send your ideas to: commander@capefearsailandpowersquadron.org
2. Contact an Executive Committee member by phone, text, email, or talk with them at a meeting.
3. You may also write your suggestions and place them in the Suggestion Lighthouse at regular Membership Meetings. You can even use the form provided below.

All your bright ideas and suggestions are welcome AND appreciated.

Think about how you might want to change and improve:

- Meetings – speakers, locations, activities
- Cruises – locations, dates, special events
- Social Gatherings – places to visit, things to do
- Education – more classes, more seminars, etc.
- Public Relations – advertising, shows, ways to get the word out

Send your bright ideas to:
commander@capefearsailandpowersquadron.org

I wish we would:

Do more of _____

Do less of _____

Start _____

Stop _____
